A white spray bottle of NutriGlow Skin Whitening Cleansing Milk is the central focus, lying on a light-colored wooden surface. The bottle has a white pump dispenser and a label with a green and white logo. Surrounding the bottle are various natural elements: a large red daisy flower, several almonds, a red rose petal, and some dried green herbs. In the background, a round wooden object with concentric rings is visible. A semi-transparent white box in the upper right corner contains the product name and ingredients.

A product photograph of a bottle of English ROSE SHAMPOO. The bottle is a light pink color with a white pump dispenser. It is positioned diagonally on a light-colored wooden surface. To the left of the bottle are several pink roses and green leaves. Scattered around the bottle are several pearls. The background is a soft, warm-toned wood grain. The text 'English ROSE SHAMPOO' is written in a mix of cursive and bold serif fonts in the upper right corner. Below it, the word 'GORGEOUS' is in a smaller, bold font. Further down, the text 'Scalp De Tox | 100% Natural Extracts | Damage Repair' and 'No Parabens & Sulphates' is displayed in a smaller font. The bottle label features a logo with the letter 'N' and the word 'NUTRITION' above a rose illustration and the product name 'English ROSE SHAMPOO' in cursive and bold fonts.
